Hodes, Pessin and Katz, P.A. – Proud Participant in the 2008 Baltimore Pride Festival.

Proudly donning HPK T-shirts, attorneys and employees of Hodes, Pessin & Katz, P.A. welcomed visitors to the HPK booth at the 2008 Pride Festival. The booth, overflowing with flowers, HPK brochures and give-aways attracted hundreds of individuals and couples interested in learning more about how HPK could assist them with domestic partnership agreements, second parent adoptions, estate planning, and gay divorce, among many other legal matters. HPK, one of the few law firms in Maryland with a Same Sex/LGBT Practice Group, has been proudly supporting and serving the LGBT legal community since 1988.
